AGREEMENT NOTICE:

This agreement will be binding only when it has been fully completed, signed, and dated by the student and an authorized representative of the school prior to the time instruction begins.

CHANGES TO AGREEMENT NOTICE:

Any changes in the agreement will not be binding on either the student or the school unless such changes are acknowledged in writing by an authorized representative of the school and by the student, or student's parent or guardian if he/she is a minor.

CANCELLATION AND REFUND POLICY:

- 1. The school must refund all monies paid if the applicant is not accepted. This includes instances where a starting class is cancelled by the school.
- 2. The school must refund all monies paid if the applicant cancels within five business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.
- 3. The school may retain an established registration fee equal to ten percent of the total tuition cost, or one hundred dollars, whichever is less, if the applicant cancels past the fifth business day after signing the contract or making an initial payment. A registration fee is any fee charged by a school to process student applications and establish a student record system.
- 4. If training is terminated after the student enters classes, the school may retain the registration fee established under (3) of this subsection, plus a percentage of the total tuition as described in the following table:

If the student completes this amount of training:	School may keep this percentage of tuition:
One week or up to 10%, whichever is less	10%
More than one week (or 10%), whichever is less, but less than 25%	25%
25% through 50%	50%
More than 50%	100%

- 5. When calculating refunds, the official date of a student's termination is the last day of recorded attendance:
 - a. When the school receives notice of the student's intention to discontinue the training program; or,
 - b. When the student is terminated for a violation of a published school policy which provides for termination; or,
 - c. When a student, without notice, fails to attend classes for thirty calendar days.
- 6. All refunds must be paid within thirty calendar days of the student's official termination date.

Refund policy for On-line Programs: As per WAC 490-105-130

- (1) For distance education programs:
- (a) A student may request cancellation in any manner and upon such request for cancellation being received and recorded by the school demonstrating the last date of attendance and/or completion of a lesson.
- (b) The following is a minimum refund policy for distance education courses without mandatory resident training:

- (i) An applicant may cancel up to five business days after signing the enrollment agreement. In the event of a dispute over timely notice, the burden to prove service rests on the student.
- (ii) If a student cancels after the fifth calendar day (excluding Sundays and holidays) but before the school receives the first completed lesson, the school may keep only a registration fee of either fifty dollars or an amount equal to fifteen percent of the tuition, but no greater than a registration fee of one hundred fifty dollars.
- (iii) After the school receives the student's first completed lesson and until the student completes half the total number of lessons in the program, the school is entitled to keep the registration fee and a percentage of the total tuition as described in the following table:

If the student completes this percentage of lessons:	The school may keep this percentage of the tuition cost:
0% through 10%	10%
11% through 25%	25%
26% through 50%	50%
More than 50%	100%

(iv) Calculate the amount of the course completed by dividing the number of lesson assignments contained in the program by the number of completed lessons received from the student.
